

NATIONAL POWERBOAT COURSE BOOKING FORM

The IS National Powerboat Certificate is a 2-day course covering the skills and knowledge required to safely skipper a powerboat keeping yourself and your crew safe while afloat. This is considered the 'Driving Licence' for Boats in Ireland.

The National Powerboat Certificate allows you to apply for the '*International Certificate of Competency (ICC)*'. The aim of the ICC is to provide boat owners and people wishing to charter boats abroad with an internationally recognised document certifying their competence to skipper a boat for recreational use.

The National Powerboat Certificate also allows you to apply for the '*Commercial Endorsement*'. The Commercial Endorsement qualifies you to act as master or crew on vessels holding Passenger Boat licences as required by the Department of Transport.

We offer a Direct Assessment option for the National Powerboat Certificate for individuals who are sufficiently experienced, skilled and have the required knowledge in all areas of the syllabus.

Should a customer have any queries regarding this they should seek medical advice from their GP prior to booking onto one of our activities.
